Students' Union Activities

"Not being able to remember the details of an activity is alright, the important memory should be that it was fun at the time."

"Exciting . . . fantastic . . ."

"The Students' Union: The unelected ruling the electorate."

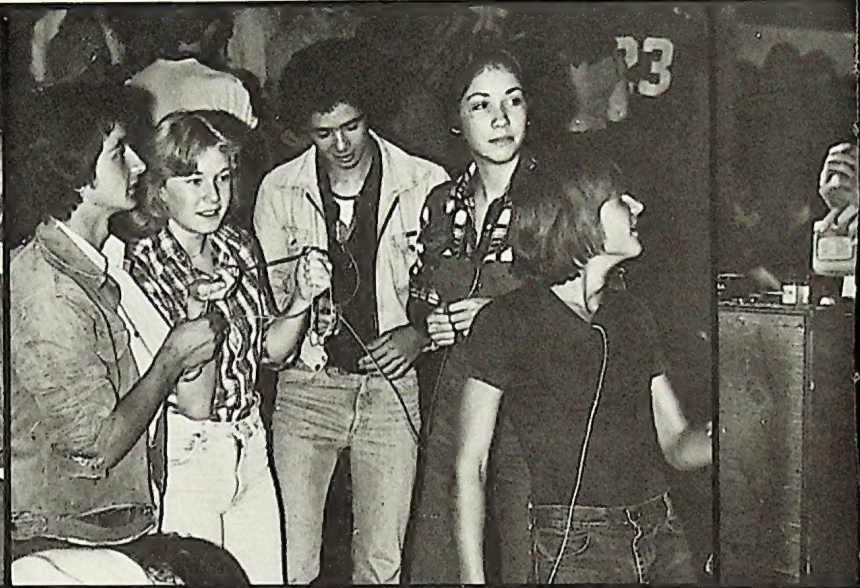

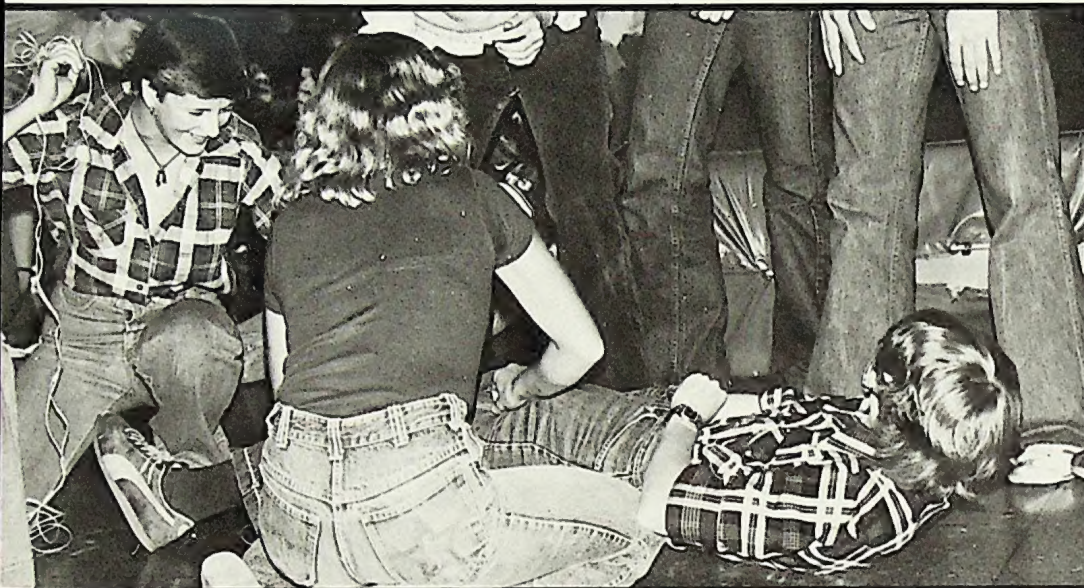

"Good to get people involved."

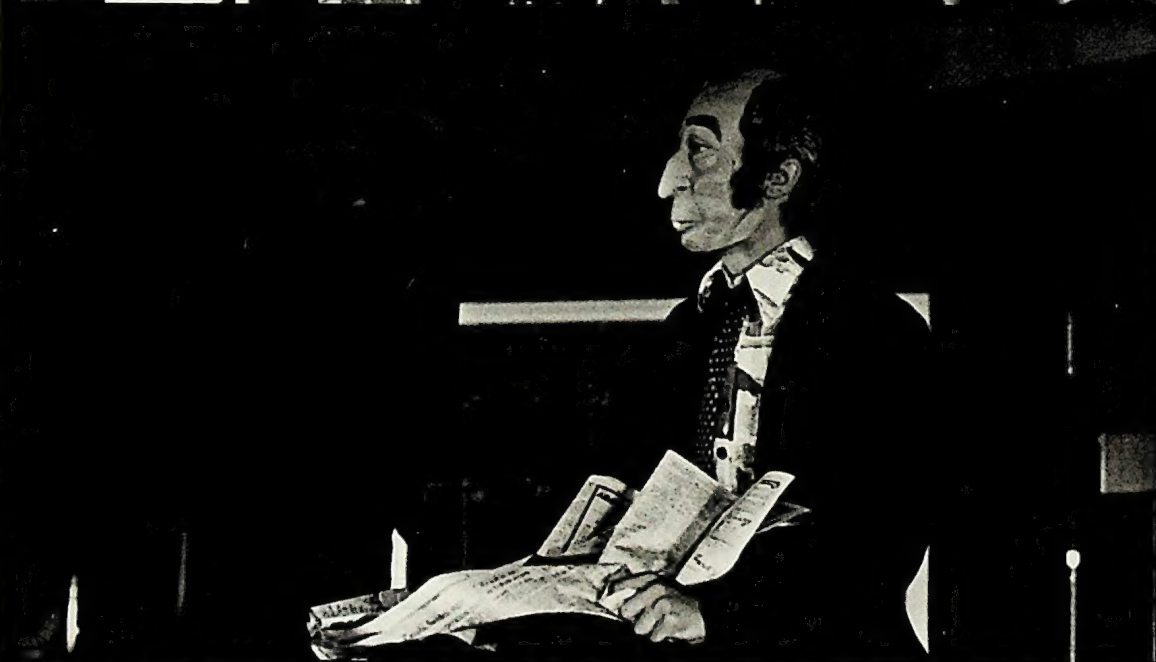

"The Students' Union seems to act independent of the student body and what can you say about a head without a body?"

"Joker's wild!"

Rookie Week

The year started out with grade 10 welcome week or Rookie Week, where instead of the grade 12's frothing the grade 10's, the grade 10's froshed the grade 12's. Among the many events were the string pass, the pillow fights and the popular mashed potato throw starring publicity rep. Bryn Griffiths as head target. By far the most popular Rookie Week event was the Harry Ainlay Glang Show starring Reed McColm as the terribly mundane master of ceremonies. The guest panel included Terry Jones (sports writer for the Journal), Eddie Keen (CHED newsmen), Lee Phipps (Scona administrator and former Ainlayite) and Ernie Poscente (manager of Capital Cable) plus a special guest appearance by DJ Keith James as the Unknown Comic. The real excitement, however, came from the acts themselves when Harry Ainlay was introduced to the bizarre Tummy Whistlers, the outrageous Duck Swamp and the prize winning Ward Chandler. The year started with a bang.

Christmas

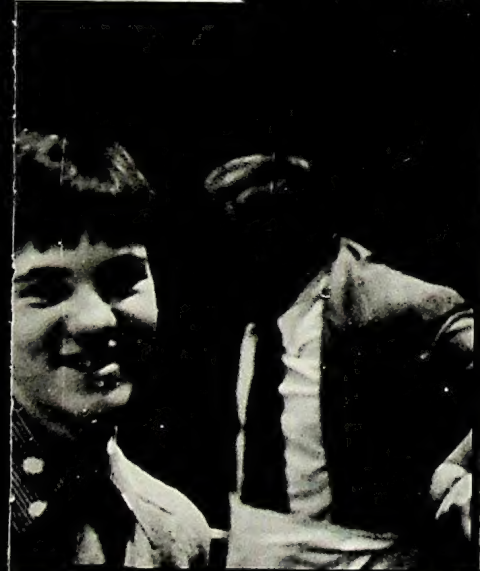

Christmas is by custom a time of joy and festivities and the S.U. activities for the season made it even more joyous, even though it started out on a rather frightening note: the kidnapping of Santa Claus!! In front of a mass of Ainlay students, the I.C.K. (International Claus Kidnappers) captured St. Nick and ransomed him for a sound system for Central Park Lodge (later Reed McColm was kidnapped and ransomed on the threat of his return). Also among the Christmas activities was Ainlay's first Christmas Pancake Breakfast, with the Student's Council, administration and other folk doing the cooking. Ainlay also celebrated the season with the traditional carols and a bake sale to raise money for the Titanic and the yearbook. The festive week ended with the return of Santa Claus (and Reed McColm) and the annual picture sessions with Santa.

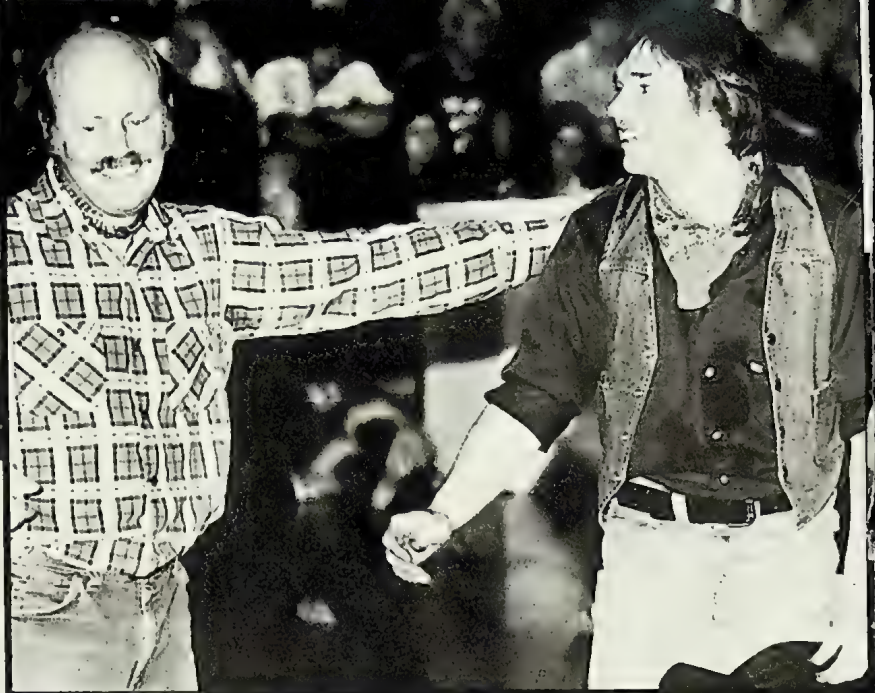

Valentine's Day

Valentine's Day is a time of love, cupids and heart-shaped cookies. Or so the Students' Union would try to convince you as it presented its Valentine's Day Cookie Auction. Classes and individuals baked, decorated and donated cookies for this popular event. Auctioneer Roy VanHooydonk managed to sell cookies for outrageous prices to the generous or just plain gullible students and teachers. The money went to the Heart Fund. Also in attendance that day was the mysterious Kissing Bandit who passed out roses to girls for the price of a kiss. Needless to say, this was a very popular event.

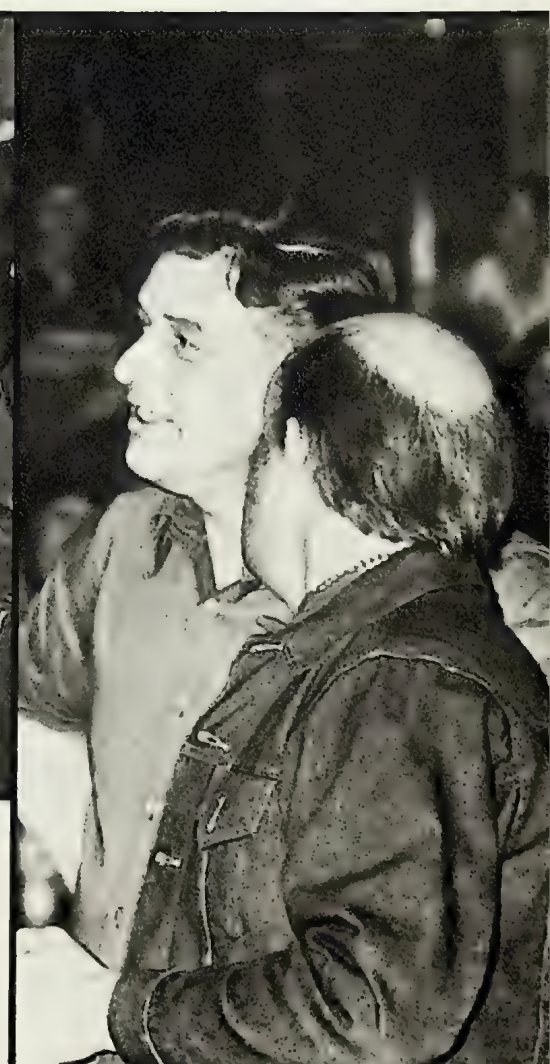

Potpourri Week

Potpourri week was just that, a potpourri of unrelated events designed to offer something for everyone. The week started out with Commonwealth Day which presented a slide show produced by the Games Foundation. Then came Greaser Day which offered a 50's maltshop and dance with nostalgic and contemporary music presented by CHED. Next came Western Day which opened a root-beer bar and presented contests such as arm-wrestling, Indian wrestling and root-beer drinking marathons. A dance wrapped up this varied and entertaining week.

NAIAD

Every year Harry Ainlay greets the coming of spring with the Naiad Queen contest and this year was no exception. The queen (or King, as there was one male entered) competitions started out with the Naiad Olympics which consisted of events such as the balloon shot put, drinking straw javelin and a sprint to the Bookstore. This was followed the next day by the traditional chariot race and scavenger hunt. The next day brought the Naiad fashion show where the contestants modelled clothing in formal and humorous categories. The final competition was the Naiad talent show where the contestants got to flaunt their stuff. Finally on Friday night at the Naiad dance the winner was crowned Naiad queen. This year's winner was Vicki Nishiyama.

C'MON, IT ISN'T ALL THAT BAD!

"The Council"

Among the Titanic's semi-regular features was David Belke's comic strip "The Council" which showed the lighter side of Ainlay through the events surrounding a mythical student's council and its members: J.B. the prez, Gail Dale the vice-president, Booker the treasurer and Ivan the sports rep.

President's Message

Thank you, Ainlay, for giving me the opportunity to serve as your president this past year. It has been a very rewarding, challenging, and worthwhile experience. It has also been hectic and time consuming, but I would not have missed it for anything. This year I have learned a lot about myself and others. I have gained confidence and have done so many things I would have otherwise been too frightened to do, and enjoyed doing them. I can't imagine what it would have been like not to be involved these last three years. I will never forget the good times I have had at Harry Ainlay. I hope that all of you will take just as many good memories with you when you leave this school. But never expect to get more out than you put in. It is up to you to take the first step towards making your life more enjoyable. The more you put into life, the more you will get out of it.

I would like to thank the entire Students' Council for all their hard work this year, and on behalf of this year's council, I would like to thank all of you for giving all of us the opportunity to be a part of everything that has happened at Ainlay. We experienced some huge successes this year, and of course some failures too. We had fun doing it all and we came out of it a lot more responsible and a little more matured. We tried a lot of new things this year, and kept some old things as well. Remember the Ol' Glang Show? Ainlay started a chain of Glang Shows in the city and our Tummy Whistlers took first prize in both CHED's and telethon's. Our school became famous all over the city. Next came the kidnapping of Santa, the Pancake Breakfast, the Cookie Auction and countless other activities all designed to make your year at Ainlay a little less monotonous and a little more memorable. We hope we have added a little something to your list of things to remember from your high school years.

I feel proud when I say "I go to Ainlay". There is no school better in the whole city. We have the best athletics program, the most champions and winners, the most dedicated and personable teachers and office staff, the widest variety of courses and clubs, and the greatest student body (that means you) that any school could hope to have or any Students' Council hope to serve. You are the greatest, don't ever forget that.

In closing I would like to leave you with this:

IF YOU CAN'T BE A HIGHWAY,
BE A TRAIL
IF YOU CAN'T BE THE SUN,
BE A STAR.
IT ISN'T BY SIZE THAT WE
WIN OR FAIL.
BE THE BEST OF WHATEVER
YOU ARE.

Library Club

In the Library Club, students either earned 5 work-experience credits or were volunteers who spent their free time in the library. The club was run under the supervision of the library staff who assigned the work-experience students various jobs such as preparing slide presentations and recordings, while the volunteers basically worked on their own or manned the circulation desk. However, the displays that were put up during the year were the result of a combined effort from everyone in the club.

In '77-'78, the club's membership consisted of about 13 members, but according to Mr. Hislop, any help was welcome and the members were rewarded for their fine work twice during the past year when they were treated to lunch at one of the city's better restaurants.

Youth Exchange

Students from each of the city's public and separate high schools were selected by their respective administrations, teachers, and students in co-operation with the Edmonton "HOST" Lion's Club. These students had reciprocal hosting arrangements with students from Japan, Germany and Sweden. The students selected had all the credentials to be excellent ambassadors for Canada to these countries.

Science Club

The Science Club had a wide range of interests covering the entire scientific spectrum this past year. In an experiment with Solar Energy they built an apparatus that captured the sun's rays and concentrated them. They entered it in the Science Fair and Mark Brooks and Harry Sim were awarded the Syncrude Environmental Award along with the Dow Chemical Energy Conservation Trophy for their efforts. The Science Club would like to extend their appreciation to Dr. Falk, their Club supervisor, and to many other people who contributed to the club's tremendous success.

Biology Club

In '77-'78, the Biology Club concentrated its work on the study of cold-blooded animals and plants. Experiments were conducted on the adaptability of fresh-water fish to marine life. These proved to be interesting and successful.

Sinbad, the garter snake also had his habits, preferences and food usages watched.

An endless number of experiments were done with the plants. Forced flowering, cross-breeding and environmental tolerances were among the many facets of experimental studies applied to these silent creatures, and believe it or not, plants really do prefer classical music to acid rock!

Math Club

The Math Club highlighted its humble existence by winning math contests this past year. Either by incredible luck or by subtle payoffs, the Ainlay team of three led by Fred Popowich captured first place in Alberta in the Junior Mathematics Contest. In the Mathematical Association of America Exam, the team of Fred Woslyng, Fred Popowich and Mark Salyzyn emerged as runners-up in the province.

Individually, Kay Lam and Bob Bauder finished 5th and 6th respectively in the province in the Alberta High School Prize Exam, and Martin Chamberlain finished 15th. Fred Woslyng tied for 5th in the Alberta M.A.A. exam and Fred Popowich fluked off third in the province in the Junior Mathematics Contest.

Tri-Prov. Committee

Ainlay's Tri-Provincial Basketball Tournament is considered to be one of the most well recognized and well run tournaments in Western Canada.

Once again in 1978, Harry Ainlay held the honor of hosting the 5th annual tournament February 10 and 11. The visiting teams invited were Victoria's Mount Douglas Rams, Calgary's E.P. Scarlett Lancers and Regina's Thom Trojans. Our Titans went undefeated throughout the tournament to easily capture first place. The Lancers finished second, the Trojans third, and the Rams fourth. The Tri-Prov committee would still like to thank all patrons, fans, and participants for their support and enthusiasm in making this year's tournament one of the most successful yet.

Ceramics club

The Ceramics Club was open to any student from any grade all year long. No previous art or ceramic experience was required since Ms. Busby, as well as her student advisors, Kathy Halliwell, Jeannie Anderson and Philip Loeber, were available to help anyone with difficulties.

There were five wheels that were used, two electric ones and three kick wheels. There was also two kilns operating to fire the club members work.

During the year, instruction and demonstrations were given in clay wedging, wheel work, texture techniques, hand building, basic safety rules and the professional features that one could enjoy when working with ceramics.

The Ceramics Club was a great experience, a lot of fun, and was well worth looking in to.

Debating Club

The Debating Club was quite active in the '77-'78 school year. It was much larger than it has been for a long while, and a great deal of debating talent was displayed.

Some highlights of the year included the Fort Saskatchewan Tournament, in which one team made it to the open finals, and a second team made it to the semifinals, the Ross Sheppard Tournament, in which Lorie White and Rae Ann Robertson won the beginner finals, the Old Scona Open Class Tournament, where one of Ainlay's teams placed second, the International Debate and Speech Event in Montana, where Bruce Rabik and Hafiz Karmali captured second in the novice event, and Lorie White finished second in the speech event, and finally the Provincial Tournament, where two teams reached the open class event. In addition, many members did very well in speaker points, placing in the top ten several times. To cap the year off, Tim Sharon was elected the first student voting member of the steering committee of the Alberta Debate and Speech Association, and Dave Holmes was selected to the Edmonton Debate and Speech Federation, a subordinate organization to the A.D.S.A.

Olympus

Tho' perhaps uninhabited by pink unicorns, four-legged daisies, and other fantastical forms of mind flora, Harry Ainlay, through the literary and artistic talents of its students, manages to produce an annual conglomeration of written and pictorial creativity, known as the "Olympus".

Gratefully, Olympus would like to acknowledge all those who have contributed to this sometimes overwhelming creative deluge, allowing our magazine to be, in truth, a reflection of our students' thoughts and feelings.

Yearbook — Titanic

The Photo-Journalism 21 class was organized to produce the "Titanic" and the "Titan Tradition" on a classroom basis. Students from all three grades enjoyed the unique experience of acquiring skills and knowledge in writing, photography, design and layout.

Mr. R. Zwicker, an industrial education teacher, and Mr. T. Stitt, an Ainlay English instructor, developed the course to give students the time and the assistance to create their own school newspaper and the yearbook.

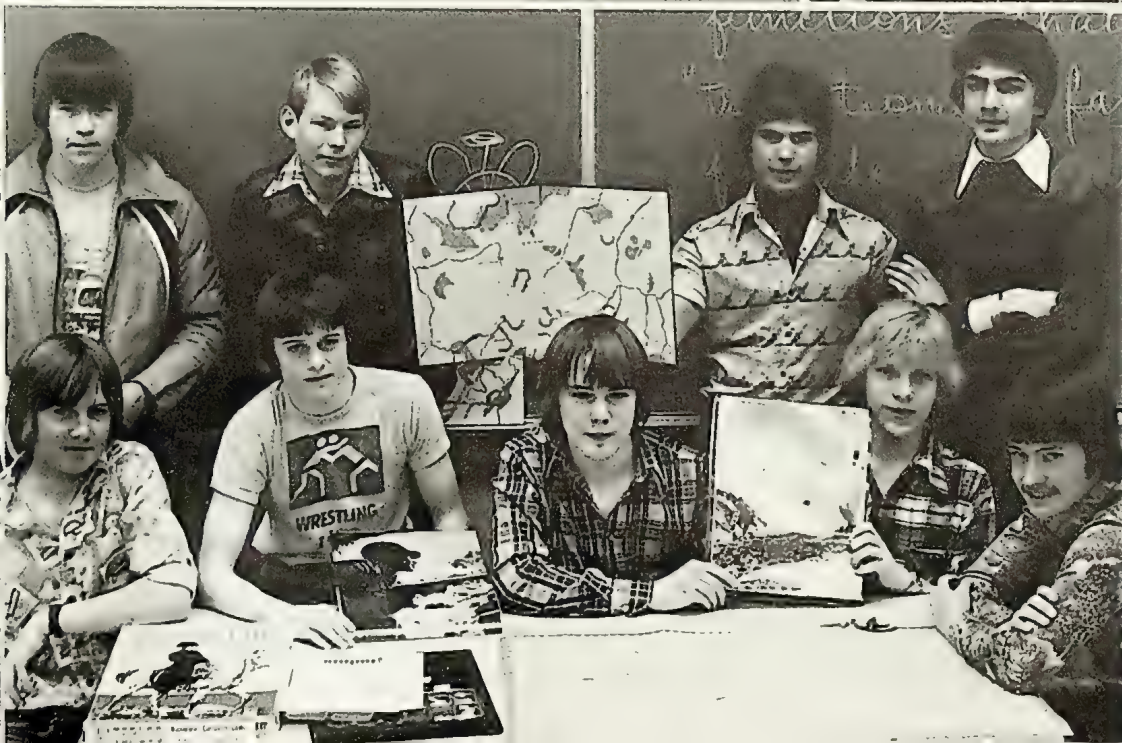

I.S.C.F.

Inter-School Christian Fellowship was really active in the school this year. It definitely was Harry Ainlay's largest full year club. They had open meetings weekly in room 548. Some of the activities they ran were a "swamp romp", a city-wide car rally, a pancake breakfast and a fantastic ski trip! I.S.C.F. hopes to enjoy an even better year with additional school spirit next year.

Principal's Message

Education is a common word with many meanings to different people. These varieties of interpretation might well be that the only tangible evidence is often a certificate or a diploma hanging on a wall. However, the price of this elusive commodity is high and in your cases it has cost twelve years of your lives and many hours of toil and effort.

Some would define education as merely the three R's, but these are only the tools by which a human becomes educated rather than the end product of education itself. Those who insist that the three R's are necessary are correct but their confusion of the three R's and true education is analogous to confusing the cutlery for the dinner.

Others define education as the development of the intellect to its highest level. This is a noble but narrow goal. As the Greeks pointed out centuries ago, mere intellectual development at the expense of ethical, physical, and material demands are very confining and, in reality, produce a distortion of human nature.

Whatever the definition, mature minds realize that because of the tremendous scientific breakthroughs of the past centuries, the future holds promises of even more startling discoveries. Knowledge builds on knowledge and as we painfully reach the higher vantage points, the horizons and prospects of our sphere of understanding increase.

Therefore, for your generation to advance and to make any significant progress and contribution to the field of human knowledge, it is necessary for you as individuals to thoroughly grasp and understand the basic foundations that the former generations have so painfully laid. Surely we can provide you with a better start by demonstrating what has been achieved and what errors have been made in the past.

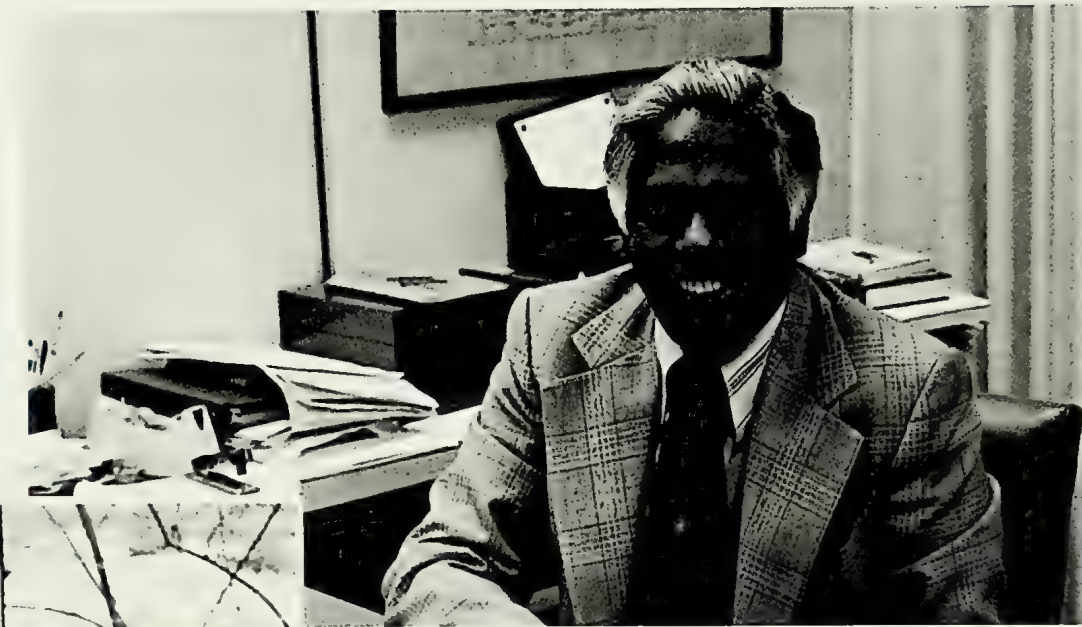

The activities of the world and the expansion of knowledge never cease, and we will need as many creative pioneers in the future as in the past. To meet this challenge man needs three vital qualities: perception, imagination, and courage. Through perception we see things as they really are; through imagination we dream of the great things that can be; through courage we venture forth to make our dreams a reality.

My sincere hope is that in addition to the basic tools of learning, Harry Ainlay High School has given you the three dynamics of perception, imagination, and courage, for it is these great qualities that cause all human advance and progress. In the final analysis, if our school has done little for the human spirit then our gains have been slight, but if our educational efforts have inspired the human spirit then we have truly achieved our fundamental purpose.

Assistant Principals

OPPOSITE PAGE: L. Stolee. RIGHT: R.

1977-78 was a year of administrative changes. The most important change was the arrival of a new principal, Mr. Rebryna. Mr. Stolee returned from Old Scona after an absence of one year rejoining Mr. Koilpillai and Mr. Sande as assistant principals. Along with the arrival of the new principal came our "we care" policy. The new policy made a definite change in student attitude and saw a resulting decline in vandalism and littering. Does anyone remember the Garbage Pickers Union Local 13? Classical music was played in the hallways before classes but no one really noticed since we were all half asleep because of the 8:05 starting hour. A new scheduling system involving alternating days caused some confusion and the new attendance policy irritated many students. However, the year will be remembered best for blue-lipped smokers puffing away outside due to the "No Smoking" policy.

BEFORE FRIENDS AND OTHER PEOPLE

I had a dream last night that I was coming back to my high school after ten years for a reunion. All my friends were there, standing together in their familiar groups, just as I had seen them at graduation: we huddled unitedly a decade before to review the game plan in much the same fashion, then we clapped our hands in unison and dispersed for our positions on the field. Now we were in the huddle again after our first down, in my dream.

My name was written on a tag I was wearing; underneath my name was written "author and actor" (this being my dream, you know). When friends read my tag, they asked me what I had done. It seemed that no one had seen my dinner theatre triumph in Des Moines, Iowa: nor had anyone read my paperback based on a thirteen-week cancelled television series.

In high school, everyday conversation topics ranged from sports to rotten marks to a science teacher's joke; from sports to the relative evil of English teachers to the ever-popular girls. But now, ten years older, we had whittled our conversation to discussing only what really mattered in life: basketball, football and other sports. All I could add to the entire discussion was the show-stopping fact that I had once met O. J. Simpson. "That's nice," they told me after an unusual pause, and then the dialogue continued again.

It was at this time in my dream that I wondered how I had managed to be so seemingly different from my favorite peers of a decade past in my lifestyle. I recalled in my dream how, in high school, I was writing about my peers and supporting their lifestyles, not actively participating with them. And I wondered in my dream, how it came to be that I had devoted myself throughout high school to getting even a meagre appreciation of basketball. And though I still had it ten years later, my peers' idea of the performing arts was STILL the Sunday afternoon ball game. How had I stuck with that group through all those years?

A lull came into the conversation, and most of us filled it with silent memories that made us smile. Then a friend turned to me and asked me if I recalled our nicknames; our graduating year; some hilarious weekends; group fun; "do you remember?" he asked me. Of course, I remember. I began to spew out shared situations with ease, appreciating them more upon retelling. And then I knew why I had survived in that group: we were friends. Not much left in common anymore, but I still trusted them. We learned a lot about each other in high school; it still showed, ten years later. Differences appreciated and accepted, I enjoyed that, in my dream.

And then my dream switched to the football field with the score in the thousands; someone yelled "hut!", and I ran out onto the field.

It's a thing I carry around under my arm
Wherever I go

It's my collection

It's a view of my beagle from six different angles
and my brother from the back

It's a very bad copy of the still life in our living room
inside a very good copy of the frame.

These are my memoirs!

Someday when I am famous they will all be sold . . .

THE DILEMMA OF A STUDENT

- an excerpt from *PORKLET* by
William Shakesworde

To pass, or not to pass; that is the question;
Whether 'tis nobler for the mark to suffer
The tests and essays of outrageous teachers,
Or to take arms against a wave of education
And by opposing it fail. To fail: to drop:
To quit; and by quitting to say we and
The finals and the thousand difficult tests
That student is heir to, 'tis a consummation
Devoutly to be wished. To fail, to drop;
To quit: perchance to work: ay, there's the rub;
For in times of recession what work may come,
When we have escaped school's endless turmoil,
Must give us pause; there's the respect
That makes calamity of so long classes:
For who would bear the whips and tests of Chem.,
The teacher's wit, the heckler's pun,
The tests of despised math, the Physics labs,
The inordinance of English, and the failing marks
A student gets while needing honors,
When he himself might his exit take
With a bare final? who would classes bear,
To scream and sweat during a toilsome test
But that the dread of something after the course,
The undiscover'd company from whose payroll
No student escapes, his worth is nil,
It makes us rather bear the ills of school
Than fly to others that we know not of.
Thus schooling does make cowards of us all,
And thus the required due of working
Is sicklied o'er with the excuse of study,
And jobs of great pay and advancement
May be o'erlooked in the name of a Master's
Of Science.

Fred P. Popowich

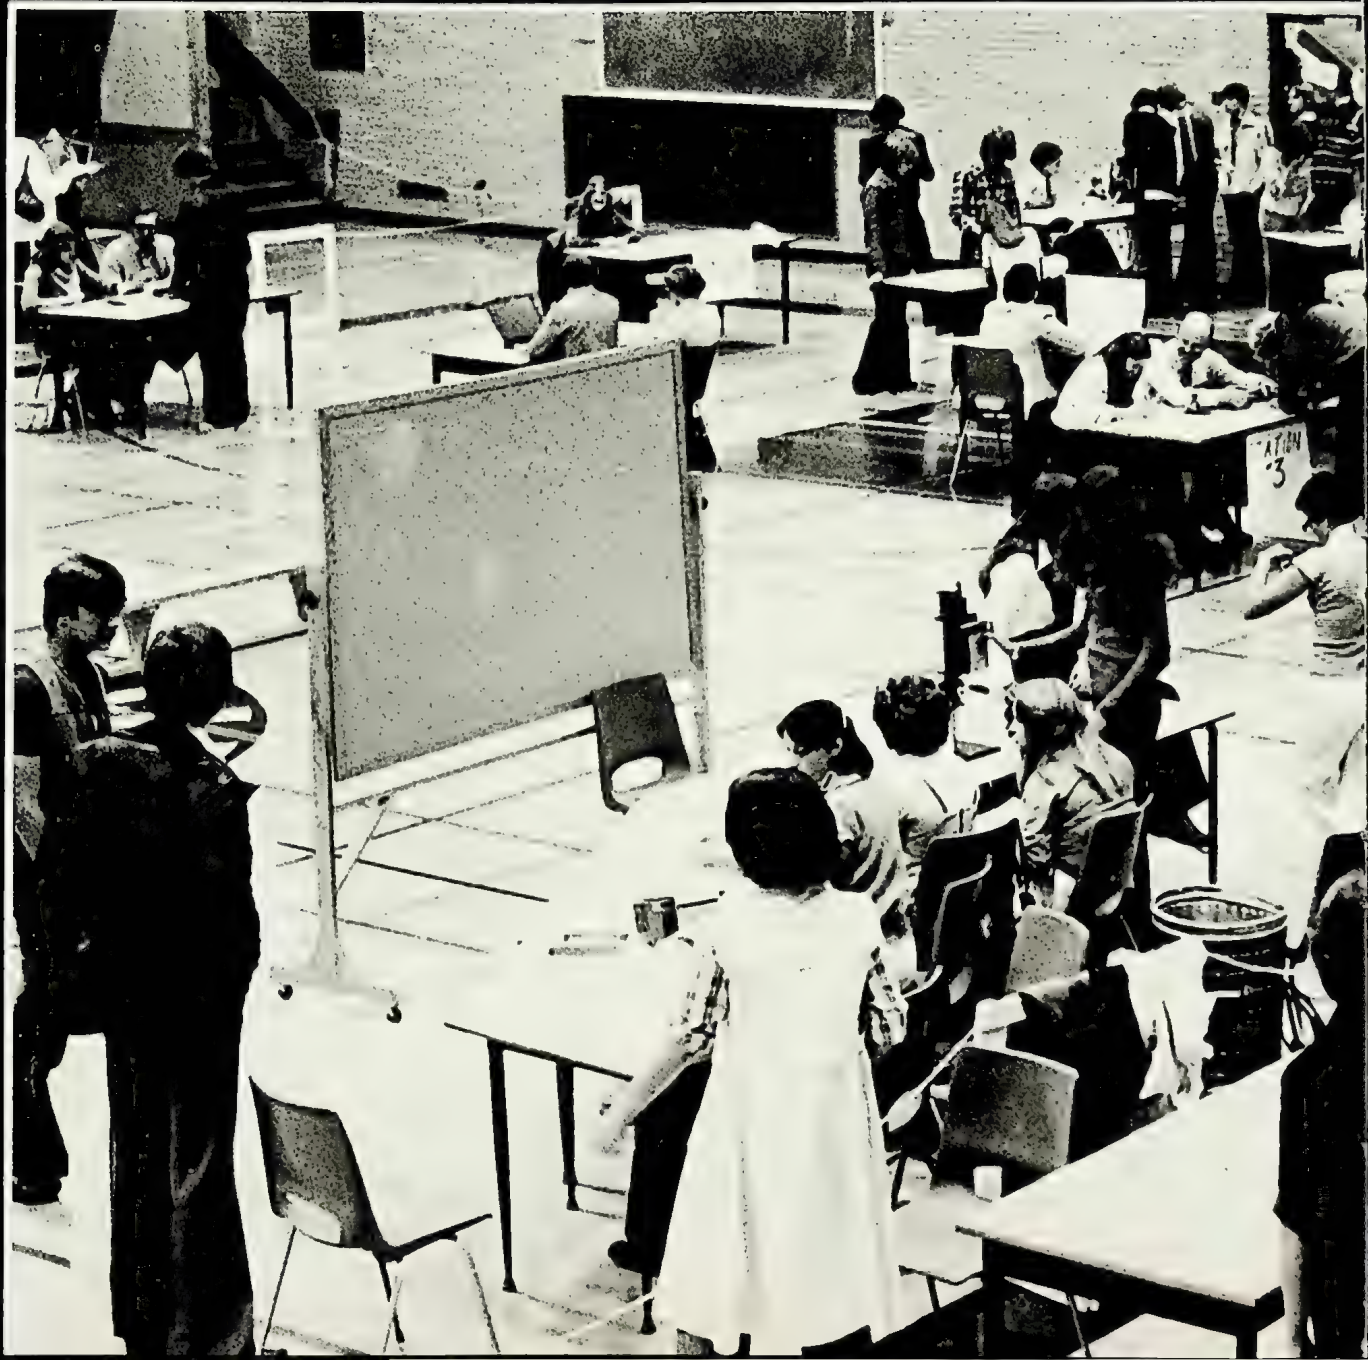

A SERVING OF HAMLET AND FOUR OUNCES OF SHAKESPEARE IS A GOOD DIETARY SOURCE OF PROTEIN.

To eat, or not to eat: that is the question:
Whether 'tis nobler in the stomach to supper
The potatoes and sundaes composing my outrageous figure,
Or to digest the Ayds reducing plan,
And by following become thin. To diet; to starve;
To starve: perchance to reduce: nay, where's the grub?
For in that diet of despair what delicacies may come,
When we have shovelled in the cream of cottage cheese,
Must give us pause: there's the dessert
That has made calamity of so long lunches:
For who would bear the whip and chills of shortcake,
The dieter's cheat, the starved's appetite,
The pang of beloved hunger, the dieter's delay,
The insolence of twiggies, and the spurns
That patient merit of the dieter takes,
When his meal undergoes its quietus made
With a bare bodkin? It is inevitable that we will
Greet the meats with a gleaming knife,
And dread the moment we must face,
The undesired diet plan from whose bourn
No connoisseur relishes, puzzles the will,
And makes us rather bear the weight problem we have
Than fly to others that we know not of?
Thus conscience does make cowards of us all,
And thus the natural tendency to indulge
Is sicklied o'er with a limitless fast of delicacies,
And dinners of great pith and moment
With this regard their currants turn awry
And lose their reason for being. Eat you now!
The rare Feast! Diners, in thy orisons
Be all our sins remember'd.

"Umph! I wish these maps would tell you where the washrooms are."

"Are those the funny little crawly things we step on in the halls?"

"I thought Harry Ainlay was great, because there were less pressures, although my marks went down because of the chicks."

"Too much thinking, not enough drinking."

"Who opened the playpen?"

"I wish they had guide ropes for us during our first week at Ainlay."

The SENIOR TITANS VOLLEYBALL TEAM experienced a very successful year, under the excellent supervision of Brian Newman, a recent graduate of Harry Ainlay, and veteran coach Dr. Frank Peterson. Their season opened with the Annual Invitational Volleyball Tournament in Calgary where the Titans lost a tight match in the finals to the top ranked Calgary team, and placed a close second. During the rest of the season the Titans fought their way into the "A" division. Unfortunately, the Senior Titans were defeated during a close fought battle in the semifinals, against the defending City Champions M.E. Lazerte.

The JUNIOR VOLLEYBALL TEAM had a successful season. We placed second in our league and advanced as far as the city semifinals where the eventual city champions, Ross Sheppard defeated us. Our team was invited to the Viscount Bennett Invitational Volleyball Tournament in Calgary. In that tournament we advanced to the semifinals also. Thank You for a terrific learning experience Titans. Coach Campbell.

The SENIOR GIRLS' VOLLEYBALL TEAM had a very successful season, thanks to the coaching of Mrs. Bjarnason and a great team effort. The team finished second to Eastglen in the city and placed third in the province. They made a good showing in their annual road trip to Stettler and hope that next year's team is as successful.

The cross-country team had a very successful season with a large number of enthusiastic Grade 10's. Practices were held after school under the coaching of Miss Silk. In the city meet the junior boys came first in their division beating Scona with Dave Finstad running especially well. Sandi Herring and Karen Smith continued on to the provincials in Grande Prairie to place first and sixth respectively in the Senior Girls' competition. Although Harry Ainlay placed second to Scona in the cities, the team had fun.

77-78 was Ainslie's first year to have a FIELD HOCKEY TEAM. The coach Mrs. M. Woodman was a volunteer student from the University of Alberta, who worked very hard to bring the team to the standard they achieved. They gained a lot of experience playing against other schools and in tournaments.

Senior Football Team

The 1977 SENIOR TITANS FOOTBALL TEAM entered their '77-'78 season with a chance to win three City Championships in a row, having won in 1975 and 1976. The opening two games against O.E. and Scona were both victories and allowed the team to experiment with both players and organization. In the third game the Titans were defeated by O'Leary but rebounded to score victories in their next three games against undefeated Bonnie Doon, Jasper Place, and Ross Sheppard, and due to this they finished in first place. In the playoff schedule they met fourth place O'Leary who again defeated the Titans ending their hopes for a third City Championship. It was felt, however, by both coaches and players that a 5-2 record and some excellent wins made the season successful and satisfying.

Most Valuable Player - Niall Fraser, Players Who Contributed The Most With The Least Recognition - Mark Frost, Brent Trask, Head Hunter's Award - Rick Paulitch, Rookie Of The Year - Damir Dupin, Captain's Awards - Don Wagner, Chris Robb, Niall Fraser, Kevin Kardosh.

Coaches: M. Chamberlain, G. Conroy, W. Gallop, G. Hunt, R. Licht. Managers: Dawn Nokleby, Drew Porth.

The Junior Football team began a youth movement in '77. In past years, over half the members were in Grade Eleven but in the '77-'78 season the squad consisted of 32 Grade Ten's and only 6 returnees.

The Titans won two games and lost four. They beat Salisbury September 19 (8-0) then lost to Scona (13-0) followed by a loss to Louis St. Laurent (16-8). On October 11, the Titans defeated Salisbury (26-0) but lost to Scona (14-8) and Louis St. Laurent (8-0) in the last game of the year.

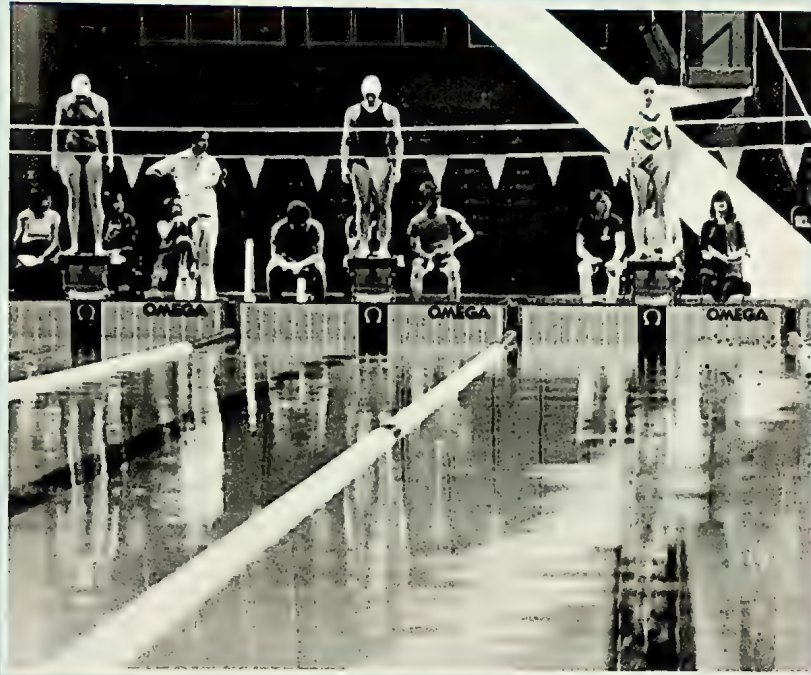

The captains were Murray Sherwin, Len Brown, Dan Gilson and Roger Carry. The winner of the outstanding player award was Darren Cooper. The Head Hunter award was won by Darrell Curtis and Terry Lindberg.

Titan's Swim Team

1978 was again a very successful year for the TITAN SWIMMING TEAM. The team went undefeated through six league meets and in the City Championship Meet won the Girls' and Combined Championships losing the Boys' Championship by ten points to Scona.

Wrestling Team

Bruce Anderson, Dan Bateman, David Blue, Ted Boomer, Keith Burgess, Roger Carry, Tab Cuthill, Peter Daneyko, Damir Dupin, David Filipchuk, Peter Frigon, Curt Gehmlich, Allan Harman, Dean Harvey, Murray Johnson, Glen Koropchuk, John Lowe, Keith Mair, Don McDonald, Rob McDonald, Tom McKee, Steve McKenzie, Ron Pettapiece, Terry Plomp, Allan Preston, Richard Pruden, Dave Robbins, Cory Russell, Doug Shaw, Larry Shields, Doug Sjoberg, Shep Steiner, Dean Stillwell, Forest Yu.

The Titans Wrestling Team captained by Peter Daneyko experienced its most successful year. Highlights of the season were the excellent showing of the novice wrestlers who won the Novice Tournament on December 10. December 12 saw a dual meet between the Titans and Wetaskiwin which the Titans won 52 matches to 12. The Titans travelled to Regina, January 27-28, and placed 5th out of 27 teams. On February 4, the Second Annual Dual Tournament was won by the Titans. February 10-11 was important as the Titans placed third in the Evan Hardy Tournament, out of 26 teams.

The City Championships demonstrated the superiority of Ainlay wrestlers. The Titans repeated as "A" Champions for the third year; won the "B" championship for the first year and repeated as Combined Champions. Out of the 29 wrestlers entered, 26 placed in top three.

"A" Champions: Allan Harman, Dan Bateman, Dean Stillwell, Peter Daneyko, Cory Russell, Richard Pruden.

"B" Champions: Curt Gehmlich, Larry Shields, Dean Harvey, David Blue, Rob McDonald, Roger Carry.

The Titans had 13 wrestlers on the Provincial Team. Allan Harman and Dan Bateman placed first, Dean Stillwell and Tab Cuthill placed second and Allan Preston came third. The Captain award was given to Peter Daneyko, the rookie of the year was Doug Shaw, while the Outstanding Wrestler was Allan Harman.

Senior Boys' Basketball

Phil Bartlett, Pete Boyson, Jeff Chamberlain, Don Hlus, Mark Kerr, Larry Leskiw, Ian Murray, Paul Sacuta, Dale Salmon, Gord Stewart, Gary Watt, Coach, Mr. Anderson.

Our Titans had perhaps as exciting; and successful a season as a team could have without winning the City Championship. Trips to Nanaimo B.C. and Winnipeg provided us with experience and good feelings.

In the Winnipeg International Tournament the Titans lost to Manitoba's #1 team in double overtime and defeated the #5 team in the province 53-17 in probably their most perfect game ever.

Having come second in the 1977 Cahper Tourney and winning the Consolation Trophy in the WIT the Titans got it all together and won their own Tri-Prov. beating E.P. Scarlett Lancers from Calgary 81-73 in an exciting final. The team then went into a slump playing poorly in their next 6 or 7 games and were on the way back to the top of their game when they were beaten by 2 points in the city semifinals by Bonnie Doon.

The starting five of Paul Sacuta, Gary Watt, Pete Boyson, Dale Salmon and Mark Kerr played some of the best games in Harry Ainlay history and can be proud of a job well done. The remaining players Don Hlus, Jeff Chamberlain, Larry Leskiw, Ian Murray, Phil Bartlett and Gord Stewart were an excellent supporting cast and should provide the 1978-79 Titans with another outstanding team.

Jr. Boys' Basketball

Brad Cameron, Grant Danyluk, Todd Grigor, Blain Kulak, Gorden Leaf, Colin Lunty, Miles McPherson, Matt Miller, Jim Nawata, Al Nowakowsky, Eric Watt, Al Wilson. Coaches: Mr. Hignell, Mr. Campbell. Managers: Norman Sacuta, Chad Buffel.

The Junior Titans Basketball Team was a tall and young team consisting of nine rookies and three returning players. With Captain Gord Leaf and Blaine Kulak leading the way, and top scorer Eric Watt averaging over 20 points a game, the sophmores helped the team to improve dramatically over the season. The team finished second in division "A" with a 6 and 4 record. The players at times, had their difficulties playing together as a team to defeat weaker opponents. At one point during the season, the Junior Titans lost four games in a row by a total of seven points.

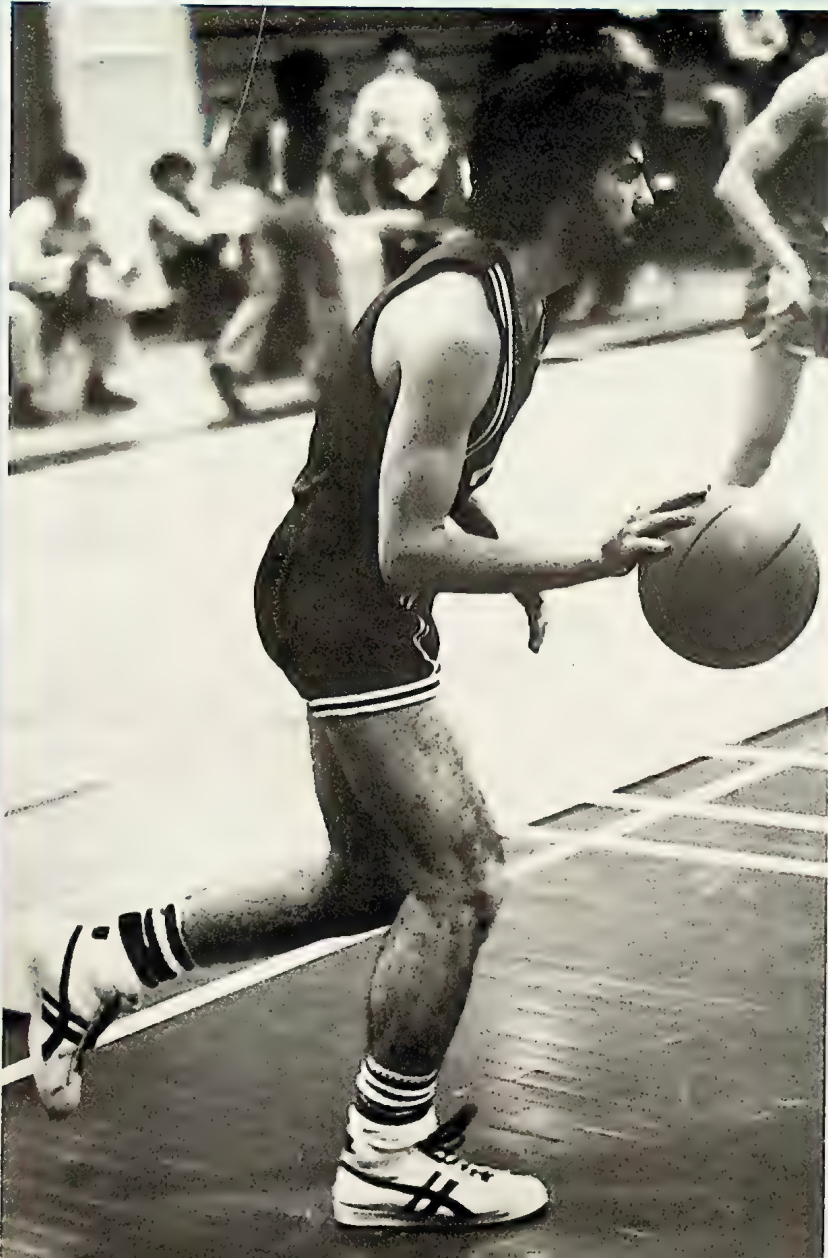

The annual Tri Province tournament saw the Junior Titans win the consolation event defeating Scona, and the Exhibition Cup to Calgary proved to be a true learning experience. The team peaked for the city playoffs losing in the semifinals to Queen Elizabeth who won the title the next night.

The Tri-Province Basketball Tournament is considered to be one of the most well known and well run tournaments in western Canada. Harry Ainlay once again had the honour of hosting the 5th annual tournament Feb. 10 and 11. The visiting teams were Victoria's Mt. Douglas Rams, Calgary's E.P. Scarlett Lancers and Regina's Thom Trojans. Our Titans were undefeated throughout the tournament to capture first place. The Lancers won second place, the Trojans finished third and the Rams finished fourth. The Tri-province committee thanks all patrons, fans and participants for their support and enthusiasm.

The Senior girls' basketball team, led by captains Laurie MacCaulder and Sally Lockwood, had an enjoyable season. The season included a road trip to Walter Murray Collegiate in Saskatoon which exposed an exciting contest. Thanks go to Miss Silk for taking time to coach a superb Ainlay Senior girls' team.

For the first time in Ainlays history, the Junior Girls' Basketball Team brought home a City Championship. The girls finished the season with a 12-1 record despite many injuries. The girls won the first Ainlay Junior Invitational Tournament defeating Vic. 117-21 and beating McNally 48-45 in the final. In the city game against Bonnie Doon, Ainlay went ahead early and held on to their lead for the remainder of the game. CONGRATULATIONS GIRLS!

The Harry Ainlay Badminton Team won their division in the league play, however, we lost in the finals of the City Championships to Strathcona. Two of our members, Scott Campbell and Coreen Peers, competed in the Teir 1 events at Red Deer in the Provincials as part of the Edmonton Team. Calgary held on to the Provincial Teir 1 title again this year.

High School RUGBY has finally come of age at Harry Ainlay. In previous years, the team has consisted of athletes who were pioneering a novel sport, and participation, not winning, was the key note of the team. In '77-'78, the team decided to concentrate on the various skills that demanded more from the athletes in practice sessions and games. This ultimately resulted in more team cohesiveness, and as a result, the Titans finished in first place during the regular season winning three games and tying two. The season began with a tie with Archbishop Jordon (4-4); then two consecutive wins over Ross Sheppard (18-0) and Salisbury (12-7). Against McNally we were held to a draw (13-13) before finishing against Bonnie Doon winning 10-0. The Titans, as a result of winning the league, received the bye and moved into the City Semifinals and hopefully the City Finals on June 9th.

The House League Banquet saw the presentations to last year's team. The "Pig Award" was presented to Don Wagner as the Most Valuable Forward; Peter Daneyko received the Princess Award as the Most Valuable Bod and Bruce Toma received the Andy Capp Award as contributing the most to keep the team viable.

Boys' Water Polo Team

Weldon Brown, Bill Clark, Cpt.; Brian Collyer, Goal; Ross Crockford, Mark Dutton, Doug Lloyd, Peter Magee, Glen McClement, Neil Robertson, Don Scott, Dave Swindlehurst, Peter Szczeclima, Coach, Mr. Holzer.

Led by Bill Clark and Glenn McClement the 1978 WATER POLO TEAM made it to the semi-finals of the High School Water Polo League. This marked the first time that our Ainlay team went this far, in spite of the majority of players being novices to the game. Congratulations to the team.

Carol Becking, Kathy Bednar, Pat Edgar, Laura Edwards, Lori Finley, Sandy Flato, Jackie Jones, Barb Leavitt, Michele McClement, Sheila Miller, Heather Murray, Michelle Palechuk, Daryl Palmer, Lori Anne Sutor, Sonja Taskinen, Lorainne Terretta, Coach, Mr. Holzer.

In 1978 the GIRLS' WATER POLO TEAM was undefeated in its "one game exhibition series" with Ross Sheppard. Consisting of the members of the Titan Swimming Team Ainlay defeated Ross Sheppard 5-4 in exhibition play.

Simon Crebbin, Kevin Drinkwater, Norm Dunroe, Mark Frohlich, Kent Fargey, Dan Gillespie, Tristan Hooper, Bob Hughes, Harvey Jaehn, Darwin Lang, Perry Mathiesen, Peter Melynychuk, Roger Miller, Dave Myhre, Wayne Regehr, Cory Russell, Jim Schimpt, Brent Trask, Paul Williams, Coach, K. Campbell.

As of this writing the TITANS' SENIOR SOCCER TEAM are battling for a playoff position. Whatever happens we have had a good season, coming second in the geographic rounds and trying to get into the playoffs in the ability round. Thank You for helping me learn the game Titans. Coach Campbell.

Backheel . . . Heading . . . Dropped Ball . . . Kick . . .

Roger Carry, Frank Chan, Tim Dunlop, Malcolm Hey, John Ionnides, Blaine Kulak, Bob Lee, Steve McKenzie, Alan Ng, Alan Nowakowsky, Soren Odegard, Rick Renz, Drew Porth, Dave Terreta, Dave Thomas, Kin Wong, Coach, Mr. Primrose.

At the time of this writing, with no league game to play, the JUNIOR TITANS' SOCCER TEAM occupies second place in the South Division and will therefore go into the playoffs for the City Championship. Of the ten games played, they have won six, lost two, and tied two. They have also scored 37 goals while having only 18 scored against them. They must be considered serious contenders for the city cup and we wish them luck.

... Hurdles ... Discus ... Baton ... Cleats ...

The '77-'78 Track and Field team was off to an expansive lead at the zone meet. Though that day was filled with rain showers and plenty of mud some of Ainlay's team members came away with new city records. Sandi and Lynn Herring, Don Smawley and Sharon Fryett were some of the outstanding athletes of the day.

Grade Eleven

"Grade eleven seems easy for me to get through. We have learned about what we had done last year."

"These are the successors to Harry Ainlay?"

"Grade eleven was z-z-z THRILLING."

"What a piece of work is a man! How novel in reason! How infinite in faculty! And then, of course, there are the grade elevens."

"Absolutely nothing bad can be said about them."

"Great fun if you like sleeping."

"Where Have All the Lightning Bugs Gone?" is an unusual drama between two imaginative girls who create and entertain each other. It is a play that gives a wonderful opportunity for creative development.

The production won the Eastern Zone 1955 One Act Drama Festival, representing Eastern in the Festival of Arts. Ian Baleman and Lenore Champion were awarded 1955 scholarships from Zone 1955 and both received an additional \$100 scholarship from the President's Festival for acting. Lenore Baloff received a scholarship of \$125 from the Festival. Finally the

production is special arrangement with Samuel French, Incorporated design by Lenore Baloff (20)

FLUTES: Wendy Rushmere, Birgit Doering, Kathy Barnett, Bob Kochan; CLARINETS: Ken Sande, Sandy Thomson, Kathi Kowalski, Beck Goltz, Bev Johnston, Audrey Frauenfeld, Debbie Webb; BASS CLARINET: Darryl Roehl; SAXOPHONES: Carmen Kinley, Wayne Olmstead, David Eberlein; TRUMPETS: Steve Halls, Stuart Mead, Randy Gillett, Doug Bogda, Greg Payne, Alana Kramer, Brad Breakell, Gordon Harris; OBOE: Jane Magee; HORNS: Eleanor Stebner, Ken Sawyer, Lorinda Myers, Mark Demers; TROMBONES: David Holmes, Tara Alldred, Tom Dalla Lana, Mark Frohlich; BARITONE: Peter Stolee; TUBA: Randy Stokes; PERCUSSION: Peter Gillespie, Mark Arnison.

This group was called upon to represent the school and music department at several junior high schools. They appeared at the annual Concert-In-The-Round when we hosted the bands from our neighbouring junior high schools. In addition to the periodic school concerts, their appearances were made at the Kiwanis Festival and in Kamloops and Vancouver during the annual music tour. The band was conducted by Mr. Merrett.

Senior Stage Band

ALTON SAXOPHONE: Carmen Kinley, Bob Kochan; TENOR SAXOPHONE: Wayne Olmstead, Keith Greenfield; BARITONE SAXOPHONE: Dave Eberlien; TRUMPETS: Doug Bogda, Pat Baynton, Randy Gillett, Steve Halls, Alana Kramer; TROMBONES: Debbie Brown, Dave Holmes, Danny Leskiw, Glenn Sutherland; PERCUSSION: Peter Gillespie; BASS: Stewart Mead; PIANO: Gail Olmstead; VIBERAPHONE: Mark Arnison.

This year's Senior Stage Band had a very successful year, not only in concerts, but also in competition. They captured the Provincial Championship of the Alberta Stage Band Festival, and consequently attended the National Stage Band Festival, which was held in Winnipeg, Manitoba. During the National Finals, David Holmes, (our lead trombone player) was selected as one member of the Canadian All Star Band. Out of the fifty bands attending the Festival, the Harry Ainlay Senior Stage Band, along with eight other stage bands, was selected for a record which is being nationally produced and distributed by C.B.C.

Intermediate Concert Band

FLUTES: Ron Garbutt, Heather Gillett, Corrine Hackman, Leslie Heron, Joanne Hingley, Susan Hollingshead, Kay Swanson; CLARINETS: Anne Bidwell, Karen Daneyko, Kim Davis, Karen Lepp, Beth MacLean, Lisa Mai, Brenda McLaren, Barbara Schmidt, Kelly Williams; BASS CLARINETS: Carol Neil; SAXOPHONES: Dawn Moss, Karen Smith; BASSOON: Gary May; TRUMPETS: Russ Clark, Tina Glazier, Howard Johnson, Dianne Kelly, Jay Ruptash, Todd Sande, David Smith, Byron Tropp; TROMBONES: Debbie Brown, Glenn Sutherland; BARITONES: Wade Peters, John Sexsmith; TUBA: Tony King; PERCUSSION: Joe Vos, Teresa Lo.

The Intermediate Concert Band consisting of members, mostly Grade 10 and 11 students as well as performing for the regular concerts at Harry Ainlay, and at various Junior High Schools in the area, the Intermediate Concert Band received first place in Class 4 of the (annual) Kiwanis Music Festival. They also competed successfully in the Provincial Alberta Band Director's Festival held in Red Deer.

Handbell Choir

CLOSING AND RECESSIONAL

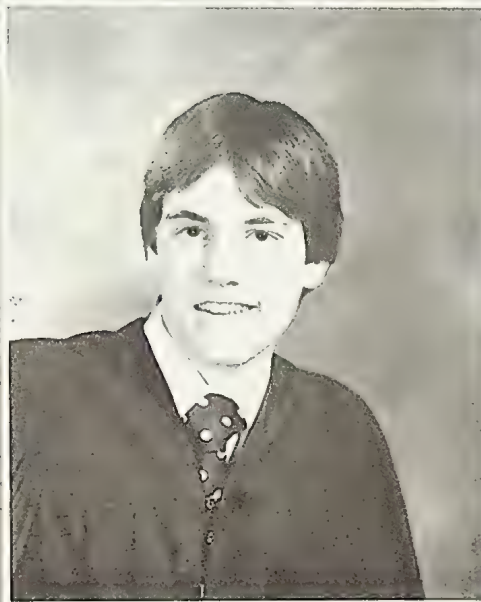

June 1, 1978

Class Historian

Reed McColm

Fellow graduates, parents, teachers, friends. Tonight we share an evening that begins an event that has been anticipated for years by parents, for months by teachers, for weeks by escorts and awaited for entire lives by the graduates themselves. Graduation is a doorway to the future and a window on the past.

What will we remember about Harry Ainlay High? Undoubtedly the teachers. Over our three years, the class of seventy-eight saw 2 principals, 5 vice-principals and 119 teachers, among those being: Horrible Hunka, Trignell Hignell, Wondrous Webb, One-of-a-Kind Klimiuk, Precious Pruden, Priceless Peters, Yours Mine and Hinz, Shiny Klapstein, Zany Zwicker, Wright and Sprysak - The Odd Couple, Hi Ho Hoyda, Hoop Anderson, Botanic Bogner, Hilarious Hackman, Big Mean Jolly Green Agrell-Smith, Terrible Thompson, Flawless Fahlman, Staggering Stitt, and of course our own crazy swinging Mr. Wilson. What an experience it has been to see many of these fine adults develop a nervous twitch.

We'll recall our victories in sports and our triumphs in clubs. (Many of us were present at the basketball games contributing to those true group efforts to scream for our Titans with more exuberance than our rival supporters. We may have been screaming at the football games, following the cheerleaders. Or we might have been on one of the many ski trips, screaming all the way down the hill. Screaming was a popular pastime.)

Ainlay was consistently a formidable opponent to any competitor in almost every possible extracurricular area. And our pride in our school was only increased by art shows at Southgate or seeing our name in print for excellence in an event.

Yes, and we were known to enjoy ourselves, too. At school, we began the future tradition of nominating Mr. Hunka for Naiad Queen, we invited Santa back every year for a Christmas visit, Mr. Stolee displayed his penchant for picking garbage, and freak days brought out the best in all of us.

Yet sometimes, what amused us most occurred after school hours. In three impressive years, we have not only been taught the wonders to be learned in academic high school, but we have also discovered the secret marvels of having fun. It was a slow process. We might enjoy 'Saturday Night Fever' and Boz Scaggs as we leave high school, but in our humble beginnings it was 'Car Wash' and 'Disco Duck'.

We did learn, though, that it was great fun to travel in crowds and cluster at the AGW; we ate at McDonald's, Boston, Athenian, Bob's, The Bucket and the DQ - the parents thought we were speaking in a secret code! And you knew that a Friday night had just passed when you woke up on a Saturday morning to find the trees streaming with toilet paper and twenty-seven different 'For Sale' signs on your front lawn - and you weren't even moving!

Although homework was incessant and other activities were pressing, most of us were, at one time or another and especially during the spring, preoccupied with romance. Some of us refused to use the word 'love'; instead, we referred to our feelings as an 'intense like'. (But the feeling was still identical. Love for us was spending a Saturday afternoon and five dollars on a meal at the Southgate dining room just because you like the service. Love was speaking to someone on your right knowing full well who was passing on your left.)

What we may remember most fondly, though, will be our friends and other people. Our associates have helped shape our lives as we have chosen to live them, and deserve thanks and praise before our everyday meetings cease.

Shakespeare wrote, "And this, our life, our beginning".

After tonight, our new lives begin. We thank Harry Ainlay for its part in our past and its part in our future. - For today is our future. With all our yesterdays, and what we learn today, we build our tomorrows, forever.

VALEDICTORIAN

Fred Popowich

No score and several years ago we entered this establishment with no specific aspirations as to what we would be doing later in life. We enjoyed a carefree atmosphere. It did not seem to matter what you did for only the near future was of any relevance. You could always put off any major decision until Grade 12, or later. Now we are suddenly forced to start making decisions pertaining to our future.

People seem to be overly concerned with the material aspects of life. They are constantly building with the idea of the more and bigger, the better. Quantity takes precedence over quality in the name of "mak-

ing it". Of course you can be successful if you are forever working but will you find satisfaction? Will you enjoy life? In this anxiety-filled, high-pressure world with its exponentially expanding technology, it is easy for you to lose your identity and subsequently your personality. Thus you will become part of the homogeneous mixture of this society of ours instead of a unique individual.

Fight against it! Do not become part of the machine. You only have one life. Make the best of it. If you enjoy life and be yourself, then that is what I call "making it".
